Successful Sight Reading - Part One

Lesson 65  
I Like To Dream

Copyright 2003

I like to dream! Here I  
am at school, looking at my  
book and dreaming.  
I see things in my book and  
dream.

I like to do this!

Oh, my! Here is my  
teacher! My teacher said,  
"Are you dreaming?"

I said, "Me? Dreaming?  
Maybe I am dreaming! I will  
read my book!"

What a dream! I am on a big boat and we are going away. My Mom is going, too. We went on the boat to have fun. This boat can go fast. We have a fast ride!

I see a dog in my book. I see dogs in my dream. I see big dogs and little ones. The dogs play with me and we have fun. The dogs run fast and I run, too.

I can fly like Superman in  
my dream. I fly up, up, up!  
I look down on the school,  
the houses and the stores.  
I can see the park, too.  
I can fly like a bird!

I can swim like a fish in  
my dream. I can swim  
down, down, down with the  
fish. It is blue down here.  
I can swim fast. This is fun!  
You can't do this!
