# The Big Collection of Poems to Read and Remember

**A comprehensive collection of poetry for Kindergarten/Grade 3  
that the students will enjoy reading and memorizing**

Most of the poems are very old and have been in primary classrooms for many years, and often have been changed and edited by teachers. Some are very old and are past copyright restrictions. I have searched for authors, but if you know of any - please let me know and the poem will be immediately removed.

# Using the Poems

Memorizing poetry is an excellent exercise. It improves auditory memory skills, increases vocabulary and teaches rhyme and rhythm.

## Using the colour page.....

This book has the black and white page for photocopying, and a colour page that can be used in a variety of ways.

- Enlarge and print the coloured page for teaching the poem. The colourful graphics will make the poem more appealing.
- The regular page sized coloured poems make a wonderful; bulletin board. Add each one as it is taught - the students will spend time reading and re-reading the poems when they 'read the room' or in free time.
- Make up books of the poems that you teach in colour for each month or season. These are great additions to your classroom library.

## Teaching the poems.....

- You may want to teach the poem orally and then introduce the page.
- Put the words up on a chart and have the children follow the words with a pointer. Then they can do the same with the words on their own page.
- Find familiar words in the poem and circle or underline them.
- Find word patterns and sound patterns in some poems. Teach the rhyming words and similar word endings, if applicable.
- Use the poem as a phonics review as you discuss the words.
- Teach unfamiliar sight words that are in the poem.
- Practice reading fluency. Read the poem individually, with a buddy, and as choral speaking with the group.
- Make two charts of the words and cut one apart into phrases. Have the children re-assemble the cut-up poem in a pocket chart.
- Make up individual poem books, adding each poem as it is learned. Use a duotang or a binding machine. Let the children read these during silent reading times or with a partner.
- Put a permanent copy of the poems learned into the class library in book form.
- The poem or poem books can go home to be part of the home reading program.
- Enlarge the poem page as large as your photocopier can make it. Use these small charts in a center, for 'read-the-room' or as a bulletin board the children will delight in reading.
- Short poems can be used for printing practice.
- Reciting poetry can be a good filler when you have a few free minutes.
- Use poems with your themes.
- Recite poems when parents visit, and poems can also be used in concerts.

I had a box of crayons,  
All shiny, straight and new.  
I lent a friend one crayon,  
And -- oops -- it broke in two!

My friend said she was sorry,  
But I said, "I don't care,  
'Cause now we both can colour  
With one crayon - we can share!"

## THE COLOUR SONG

*(Tune: This Old Man)*

Red, red, red,

Touch your head.

Blue, blue, blue,

Tie your shoe.

Brown, brown, brown,

Touch the ground.

White, white, white,

Take a bite.

Black, black, black,

Touch your back.

Purple, purple, purple,

Draw a circle.

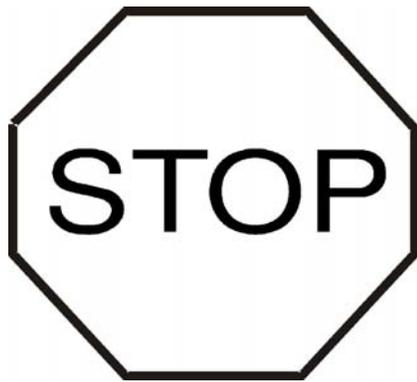

Pink, pink, pink,

Give a wink.

Gray, gray, gray,

Shout hurray!

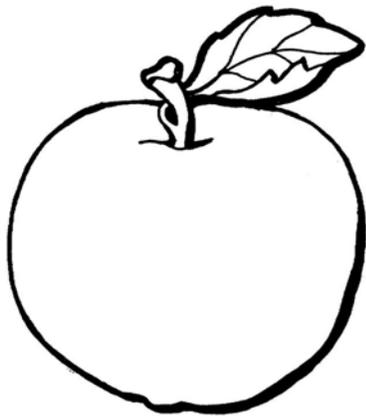

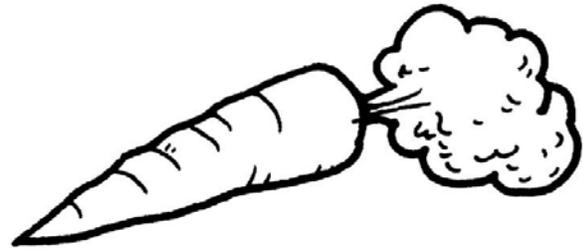

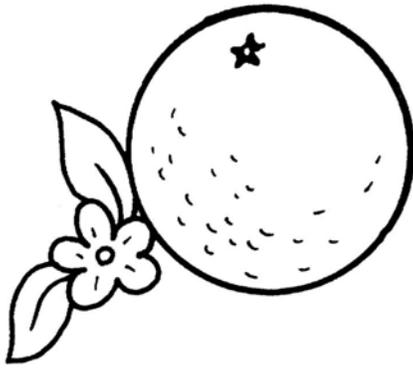

Red is a stop sign,

Red is a rose.

Red is an apple

And a funny clown's nose.

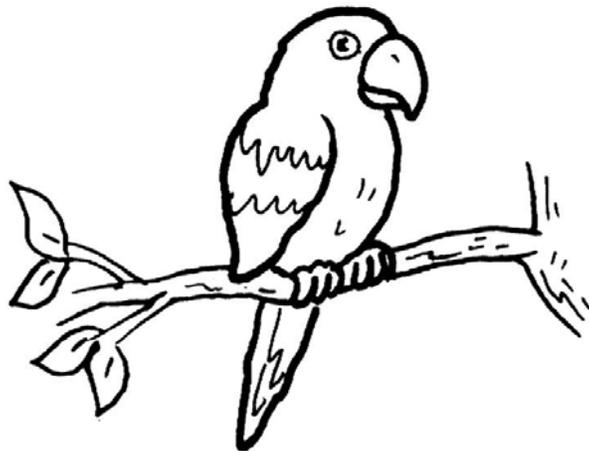

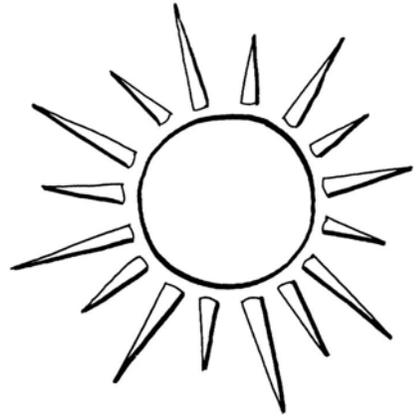

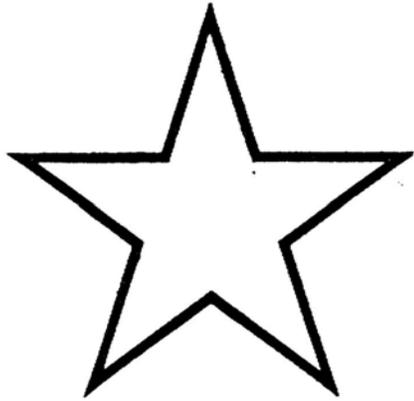

Orange is an orange,

Orange is a carrot.

Orange is the colour

Of the beak of a parrot.

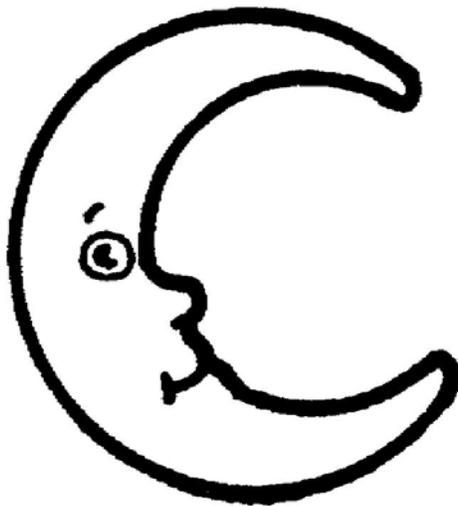

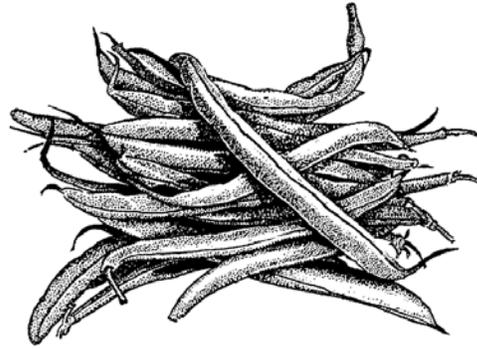

Yellow is a star,

Yellow is the sun.

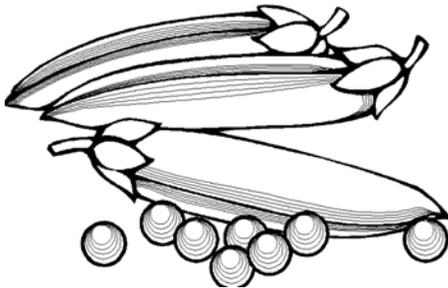

Yellow is the moon

When the day is done.

Green is grass,  
String beans and peas.  
Green are the branches  
On Christmas trees.

Blue is the ocean,

Blue is the sky.

Blue are the blueberries

I put into the pie.

Purple are grapes,

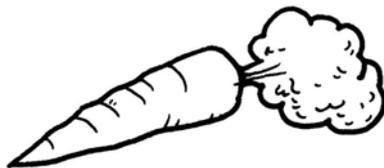

Purple are plums.

Purple is a violet

And the bruise on my thumb.

Orange is a carrot,

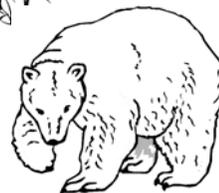

Yellow is a pear,

Green is the grass

And brown is a bear.

Purple is a plum,

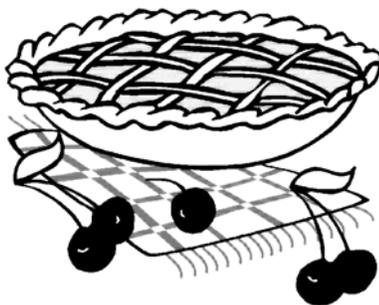

Blue is the sky,

Black is a witch's hat

And red is cherry pie.

Scarecrows have a funny job  
In cornfields wild with birds,

Without a single word.

Do you suppose when nightfall comes  
He snacks on corn? Of course!

# Apple Happy

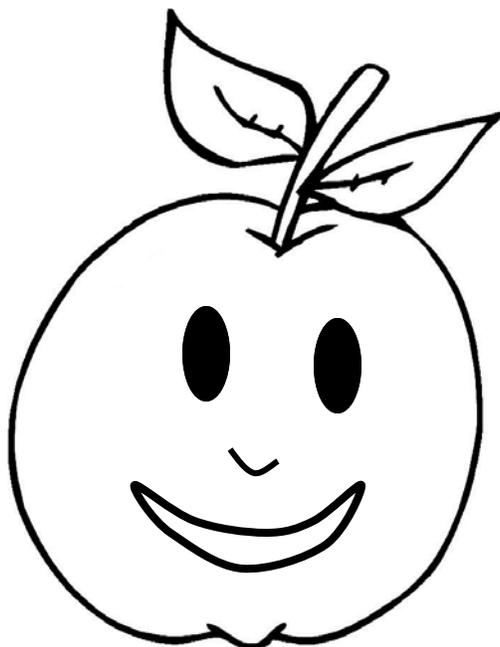

This can be done with a lesson on feelings - or when doing Autumn apples.

Have the students act out the feelings, and then draw emoticon faces such as the ones above on the apples, beside the matching words.

Another version is to have the students draw their own faces and put in their own names..... Here is Jodie happy, Here is Jody sad, Here is Jody sleepy, Here is Jody mad. Jody is lots of fun to meet and Happy Jodie is the very best treat!

Take pictures of the children acting out the feelings.

October is the month  
When leaves begin to fall,  
When pumpkins ripen in the fields  
And ghosts come to call.

## October

October is the month  
When leaves begin to fall,  
When pumpkins ripen in the fields  
And ghosts come to call.

October leaves are lovely  
They rustle when I run.  
Sometimes I make a pile of leaves  
And jump in them for fun!

## It's October

October's the month  
When the smallest breeze  
Gives us a shower  
Of autumn leaves.

October's leaves are lovely  
They rustle when I run.  
Sometimes I make a heap  
And jump in them for fun!

## October Time

October time

Is pumpkin time,

The nicest time of the year.

When all the pumpkins

Light their eyes

And grin from ear to ear.

## Time for Thanksgiving

A time for thinking ....  
About good things,  
Like food, and home and friends.

A time for wishing ....  
For a world  
With peace that never ends.

A time for hoping ...  
For the best.  
May all people soon be free.

A time for sharing ...  
What we have.  
That's how it's meant to be.

## Thanksgiving

The year has turned its circle  
The seasons come and go.  
The harvest is all gathered in  
And chilly north winds blow.  
Orchards have shared their treasures,  
The fields, their yellow grain.  
So open wide the doorway -  
Thanksgiving comes again!

## Last of October

Hooting owls  
Big black cats  
Witches wearing  
Pointed hats.

Ghosts and goblins  
In the street  
Are really children  
Wearing sheets.

Jack O'Lanterns  
Shining out  
Scary noises  
All about.

Halloween has  
Brought some friends  
To help October  
As it ends.

### A Funny Seed

What a funny seed I found,  
I wondered what would grow?  
So I planted it in the ground,  
And now I know!

Little leaves were first to sprout,  
Growing in a line,  
Then golden blossoms opened out  
Along the vine.

And then something grew and grew and grew!  
The biggest ever seen!  
And now I have a pumpkin-  
Just in time for HALLOWE'EN!

## Jack-o-Lantern Faces

Jack-o-lantern, jack-o-lantern,  
Are you sad? Are you sad?  
You look like you're crying!  
You look like you're crying!  
Don't be sad; don't be sad.

Jack-o-lantern, jack-o-lantern  
Are you mad? Are you mad?  
You look very angry!

## Jack O'Lantern

The Jack O'Lantern chuckled  
Then winked his funny eye,  
"I would rather be a pumpkin-face  
Than be inside a pie!"

## Jack O'Lantern

The Jack O'Lantern chuckled  
Then winked his funny eye,  
"I would rather be a pumpkin-face

Once I had a Pumpkin

Oh, once I had a pumpkin, a pumpkin, a pumpkin

Oh, once I had a pumpkin, with no face at all.

With no eyes and no nose

And no mouth and no teeth

Oh, once I had a pumpkin with no face at all.

So, I made a jack o lantern, jack o lantern,

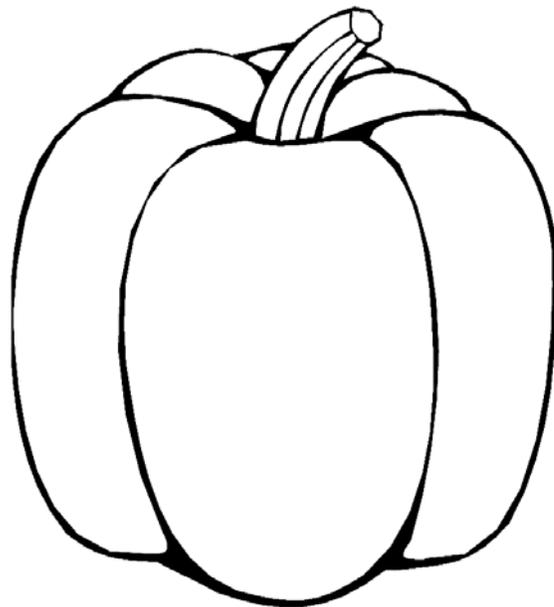

jack o lantern

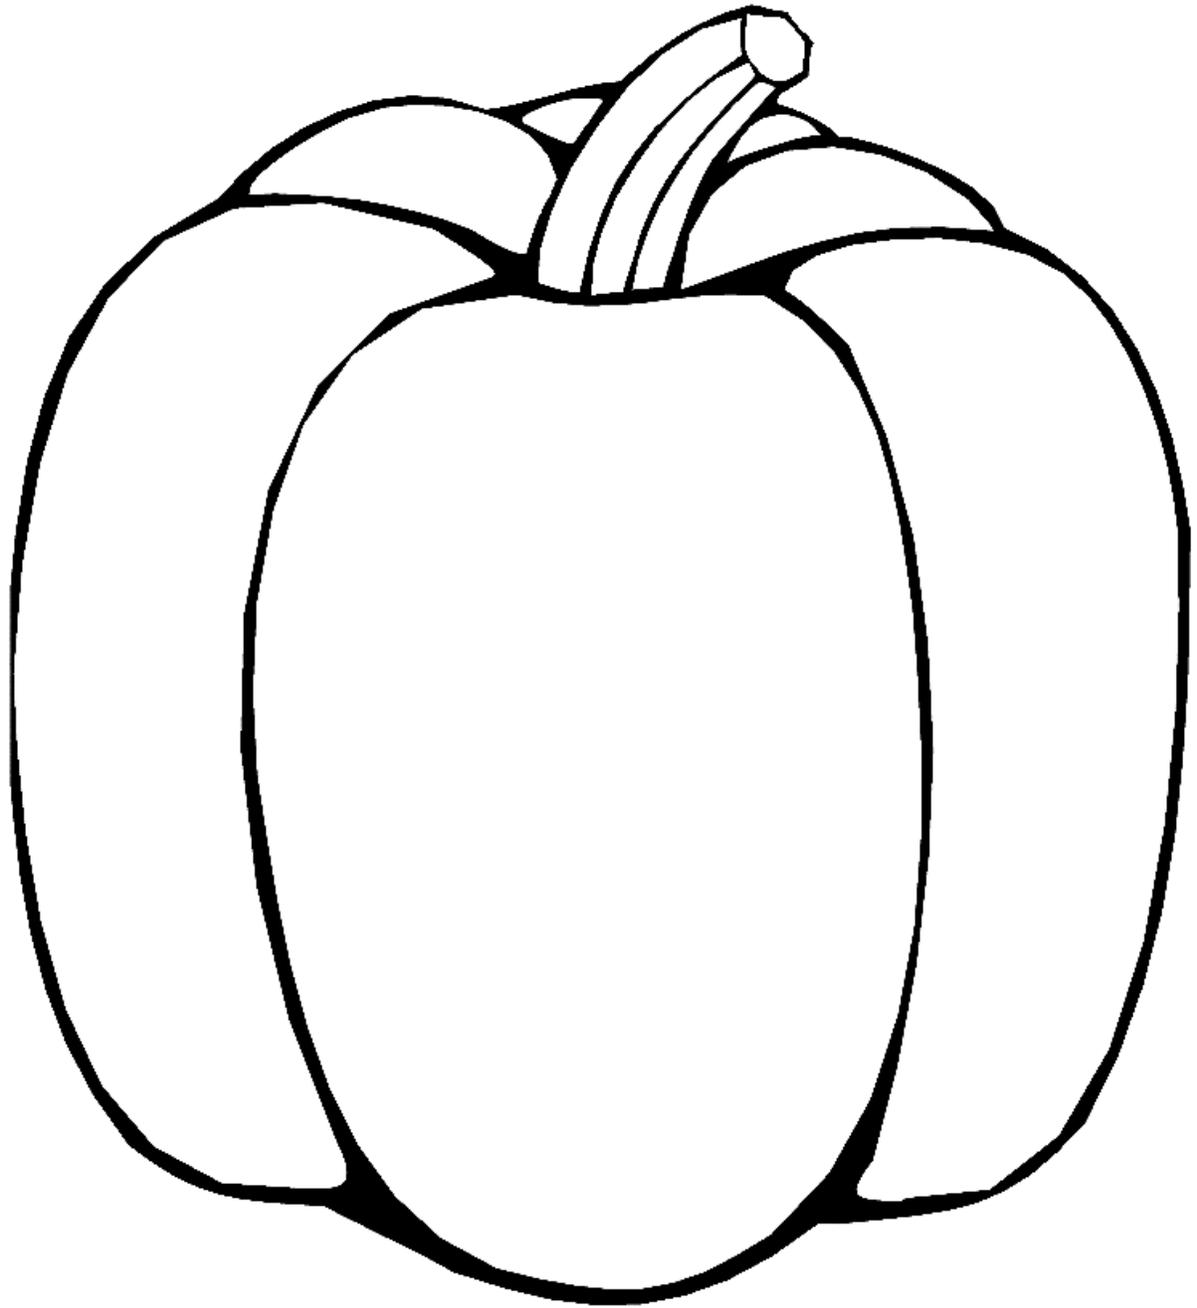

So, I made a jack o lantern with a big funny face

With big eyes and big nose

And big mouth and big teeth

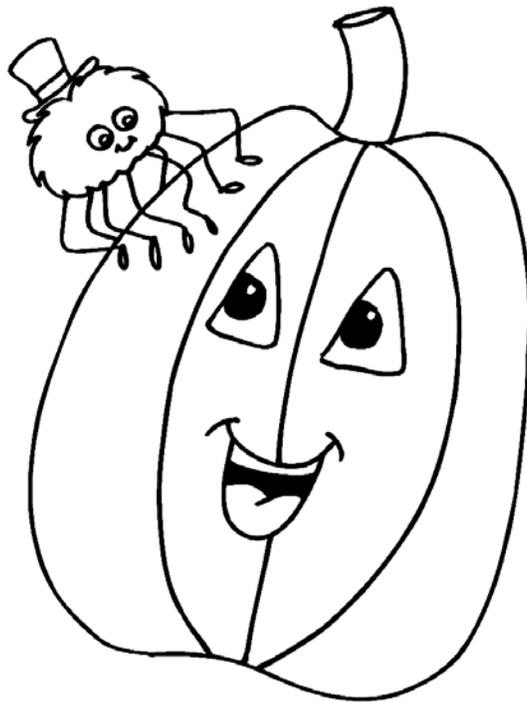

So, I made a jack o lantern with a big funny face.

## Pumpkin

We bought a fat orange pumpkin  
The plumpest sort they sell.  
We neatly scooped the inside out  
And only left the shell.  
We carved a funny funny-face  
Of silly shape and size,  
A pointy nose, a jagged mouth  
And two enormous eyes.  
We set it in a window  
And we put a candle in,  
Then lit it up for all to see  
Our jack-o'lantern grin.

## Trick or Treat

Witches, ghosts and goblins  
Walking down the street,  
Tapping every door bell,  
Trick or treat!

When your door is opened  
This is what you meet,  
Scary creatures shouting,  
Trick or treat!

I see a big ghost

I see a bat,

I see a little witch,

I see a cat.

This is such a scary night.

Now who will we meet?

I see trick or treaters

Coming down the street!

## Halloween Night

Come on along  
The moon is shining bright  
There are goblins and witches  
And black cats out tonight.

Those ghosts and pumpkins  
Gave me a fright.  
Oh, but it's scary  
On Halloween night!

Cat,

Cat,

Your eyes are bright and green,

Where have you been?

What have you done

So skittery-scary this

Hallowe'en?

And where did you get

that pointed hat?

Tell me that,

Cat!

Sometimes I like to walk in the dark.

I like to **shout** and **scream**.

I sneak behind someone I know sh-sh-sh

# The Witch

There once was a witch of  
Willoughby Wood,  
And a weird wild witch was she;  
With her hair that was snarled,  
And hands that were gnarled,  
And a rickety, kickety knee.  
She could jump they say  
To the moon and back,  
But this I never did see.

## There Was an Old Witch

There was an old witch  
Believe it if you can,  
She tapped on the windows  
And she ran, ran, ran.  
She ran helter skelter  
With her toes in the air,  
Cornstalks flying  
From the old witch's hair.

Swish goes the broomstick,  
Meow goes the cat,  
Plop goes the hop-toad  
Sitting on her hat.  
"Whee," chuckled I,  
"What fun, what fun!"  
Halloween night  
When the witches run!

November is a month that is gloomy and gray  
Leaves are on the ground

And birds have gone away.

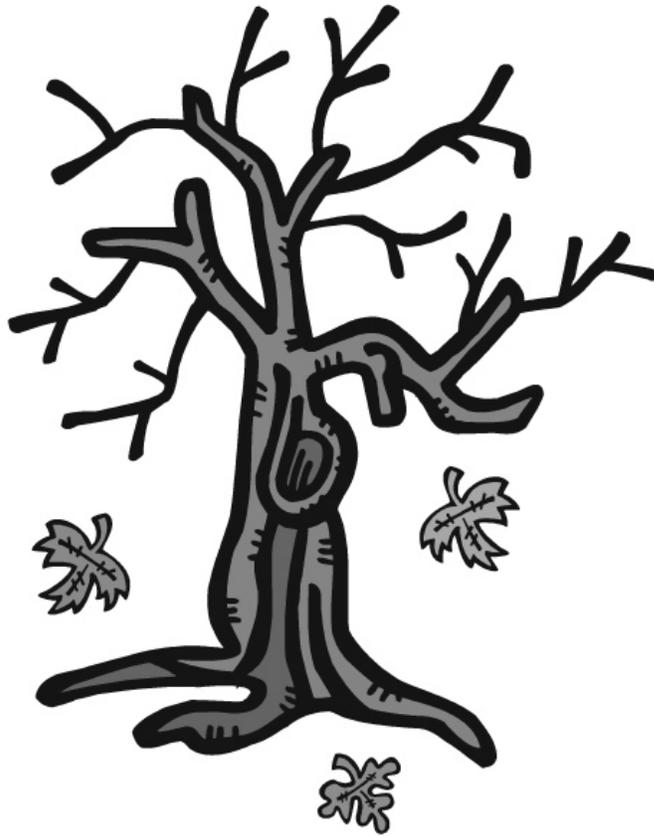

Children are bundled, just waiting for snow.

There's a chill in the air wherever you go.

There are times in November

You sometimes say,

"Summer seems such a long time away."

# Remembrance Day

We wear a poppy  
On Remembrance Day,  
And at eleven  
We stand and pray.  
Wreaths are put  
Upon a grave.  
As we remember  
Our soldiers brave.

I'll wear a little poppy,  
As red as red can be,  
To show that I remember  
Those who fought for me.

Kind and helpful to all.

## Up On The Housetop

Up on the housetop the reindeer pause,  
Out jumps good old Santa Claus.

Down through the chimney

with lots of toys,

All for the little ones, Christmas joys.

Who wouldn't go!

Ho, ho, ho!

Who wouldn't go!

Up on the housetop,

Click, click, click,

Down through the chimney

With good Saint Nick.

But it's better in my tummy.

He's checking it twice,  
He's gonna find out

It's very dark this Christmas Eve night.  
We need someone to carry a light.  
Rudolph, of course you'll be fine.

Santa's on his way.

Children are singing,  
Soon it's Christmas Day!

The little pine tree tried so hard  
To grow both straight and tall.  
The oaks and elms all laughed at him  
Because he was so small.  
"Why do you try so hard?" they asked.  
"What do you want to be?"  
The little pine tree softly said,  
"I'll be a Christmas tree!"

## When Santa Claus Comes

A good time is coming  
I wish it were here,  
The very best time  
In the whole of the year.

I'm counting each day  
On my fingers and thumbs -  
The weeks that must pass  
Before Santa Claus comes.

Then when the first snowflakes  
Begin to come down,  
And the wind whistles sharp  
And the branches are brown,

I'll not mind the cold,  
Though my fingers it numbs,  
For it brings the time nearer  
When Santa Claus comes.

## Christmas Spelling Song

C-H-R I-S-T M-A-S is here.  
That's how we spell Christmas  
It's the best time of the year.

Oh what fun we'll have today  
With all our friends so near!

## Christmas Wreaths

Our Christmas wreaths  
Are fat and round  
Made of woodsy things  
We found.

We tied brown cones  
Upon the green  
And stuck red berries  
In between.

Upon the wreath  
For our front door  
We tied red ribbon  
From a store.

## Eight Little Reindeer

1, 2, 3, 4, 5 little reindeer  
Stand beside the gate,  
"Hurry, Santa," said the five,  
"So we will not be late."

1, 2, 3, 4, 5 little reindeer  
Santa said, "Please wait!  
Wait for three more little reindeer  
Then there will be eight."

## Holly Berries

Why are holly berries red?  
And why is snow so white?  
Why are spruce and pine so green?  
And why are candles bright?

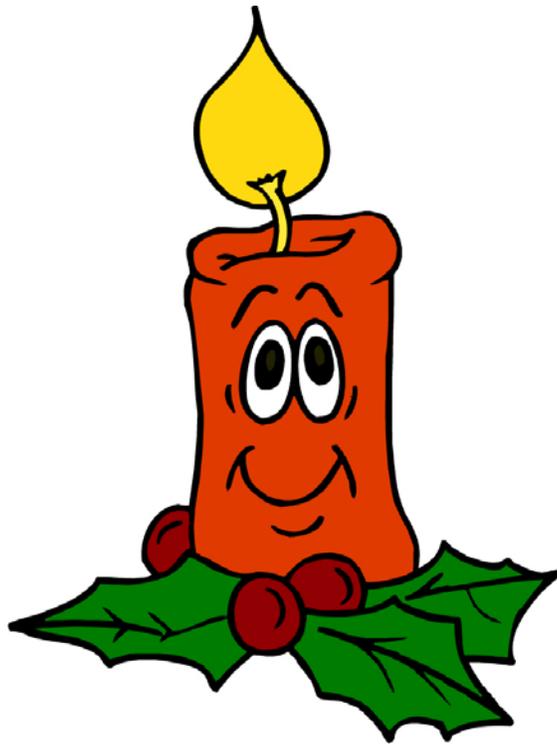

Can't you guess? It's Christmas time  
When everything's aglow,  
And loving hearts are full of cheer -  
It's Christmas - don't you know?

## If

If I were a pine  
With needles lean,  
If I were a fir  
With branches green,  
Do you know what  
I'd want to be?  
A shimmering, shining  
Christmas tree.

## New Year

The sidewalk isn't different  
Not the street, not the stores.  
Our home isn't different  
Not the windows or the doors.  
The sky isn't different  
And the ground is the same,  
Just the calendar is different  
Since the new year came!

January

January

Now is here -  
A fine new start  
For a whole new year.

HAPPY  
NEW YEAR!

January sparkles.

January's bold.

January huffs and puffs.

January's cold.

The snow comes down  
In the dark of night.

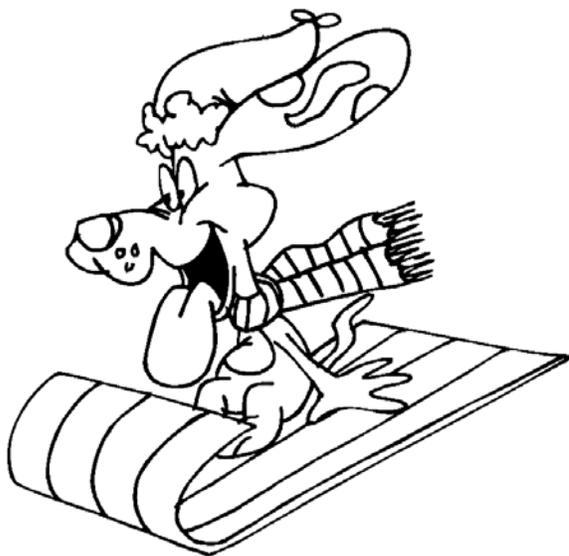

When we awake  
The world is white.

We get our sleds

And away we go.

## A Walk in the Snow

It's fun to walk in the sparkling snow,

And hear my boots go crunch,

I play so hard.

Soon I'm wet and tired

And ready for hot soup with lunch.

A chubby little snowman

Had a carrot nose.

Along came a bunny,

And what do you suppose?

Looking for his lunch,

Ate the snowman's carrot nose,

Nibble, nibble, crunch!

Snow makes whiteness where it falls.

The bushes look like popcorn balls.

And places where I always play

Look like somewhere else today.

A hat upon my head.

Drip, drip,  
The icicles grow

All hung in a row.

Like a princess's crown;

They all fall down.

## Mittens

Stripes or dots or sparkling white,  
Mittens in winter fit just right.  
Wool and cotton, maybe leather -  
Mittens warm us in cold weather.  
In rainbow colours and darkest black,  
Mittens fit in a pocket or pack.  
Thumbs alone, fingers together,  
We love mittens in cold, cold weather.

Is there anything nicer  
Than red woolly mittens  
As fluffy and soft

Red mittens to keep

Make one big ball,  
And one middle size  
Then roll a small ball  
Add a nose and eyes.

Give him a broom  
And a scarf of blue  
Now there's a friend  
To play with you!

Watching.

Hoping.

Sighting the first flake.

Angels in the snow?

Soft and light

From treetops

Of magic? Snow!

What do you say  
To a bear that's waiting,  
Just about ready  
For hibernating?

You don't say "Good evening,"  
It wouldn't seem right,  
You'd not say "Good morning,"  
Or even "Good night."

I suppose you could say  
"Good sleeping! Good rest!"  
Or maybe "Good winter!"  
Would be the best.

The dragon roars,  
He stamps his feet!  
He thunders up  
And down my street!  
But I won't worry  
Or shake with fear ...

It's Chinese New Year!  
So, instead -  
I'll shout with joy,  
"Happy New Year!  
Gung Hay Fat Choy!"

### The Second of February

There's only the day the whole long year,  
That I hope and pray the sun won't appear.  
The second of February, you all know,  
The groundhog goes searching for his shadow.  
If he should find it, the story is told,  
We'll have six more weeks of winter's cold.  
But if it is cloudy, his shadow's not there,  
There'll soon be warm weather and days will be fair.  
So please, Mr. Sun, for just this one day,  
Find a big dark cloud - and stay away!

On February second  
The groundhog looked about  
The sun was shining brightly  
But his shadow wasn't out.

Mr. Wooly Bear was watching  
The groundhog search around.  
"Mr. Groundhog, look behind you  
Your shadow's on the ground."

"Hooray!" the groundhog shouted.  
"For once we both agree.  
Six more weeks of winter weather  
Six more weeks of sleep for me!"

## 100th Day of School

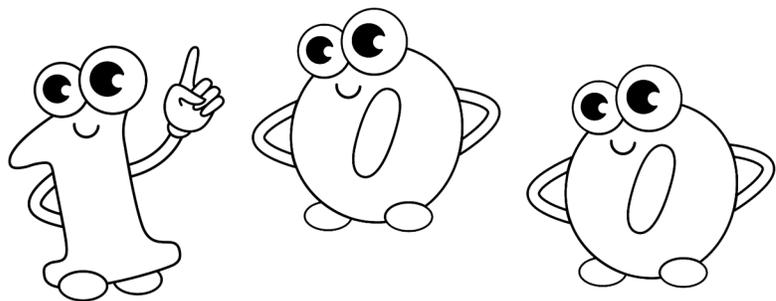

100 days of school in all,  
100 days of school,  
We managed to count a large amount,  
100 days of school!

How did we get to 100 days?  
100 days of school?  
We started the fun with number 1,  
Counting the days of school!

1 day of school at first,  
Then 2, then 3, then 4.  
We got up to 10, but didn't stop then,  
We went to 100 days!

20, 30, 40 days,  
50 days and more!  
60, 70, 80, 90,  
Up to 100 days!

100 days of school in all,  
100 days of school,  
We managed to count a large amount,  
100 days of school!

## Hooray!

We've been counting to 100  
Every day this year.

We've been counting to 100  
And now that day is here!

Reading, writing, spelling and math

And lots of games to play

For in our classroom we are learning

About 100 in every way.

100 words to read, 100 things to count,

100 things to do in school all day -

100 things to make, 100 words to spell,

How we love 100's day!

Hooray!

But I can think a Valentine  
For everyone I meet.*

One little valentine said, "I love you!"

\_\_\_\_\_ made another

Three little valentines said, "We

Four little valentines, one more

For Valentine's Day  
Out of a snow cloud,  
cold and gray,  
Something dropped on  
St. Valentine's Day,  
Whirling and twirling and  
soft and light,  
Like wee little letters all  
dainty and white,  
I guess the sky children  
were sending down,  
This Valentine straight to  
the children in town.

Some are big and frilly  
Some are made of candy  
These I find just dandy.

It begins with a grin

It turns to a giggle

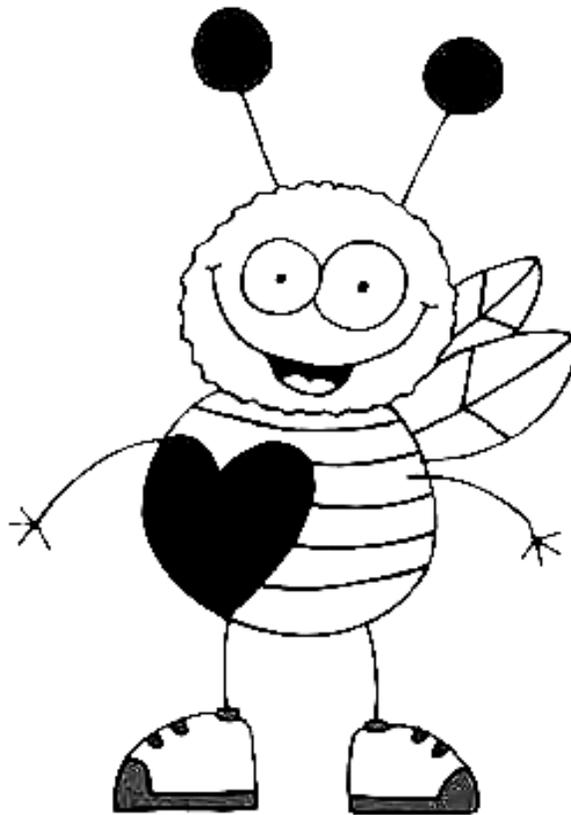

You start to laugh

Your legs start to wiggle

You look all around for someone to hug

What can you do

You've caught the love bug!

Today as Valentines go out  
To people near and far,  
This one I'm sending right to you  
To say how nice you are.

## 1000 Valentines

I gave 100 valentines,  
A 100 did I say?  
I gave 1000 valentines,  
One cold and wintry day!  
I didn't have to cut or glue,  
I didn't write a word,  
Because my 1000 valentines  
Were seeds for hungry birds.

## Lion or Lamb?

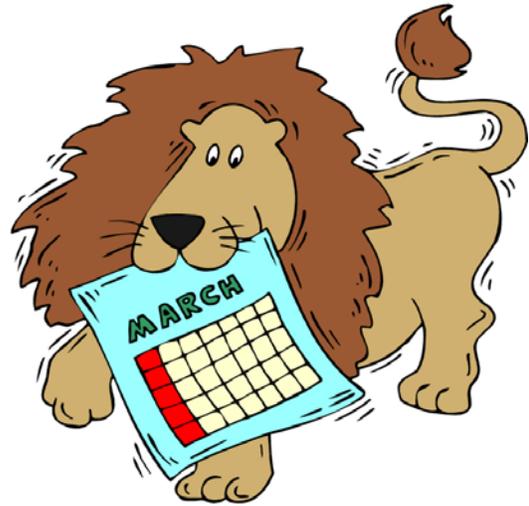

When March comes in gently,  
With soft skies of blue  
And warm happy breezes,  
And crocus buds, too,  
March begins like a lamb,  
Sweet, gentle and kind.  
But you'd better beware,  
For you'll surely find  
That the end of the month,  
Will be stormy and cold.  
Like a lion it'll roar,  
Rough, growly and bold.

If March begins windy,  
And stormy and gray,  
If it's too cold outside,  
To happily play,  
The lion's here first,  
And he's not so nice.  
You should be indoors,  
Take my advice.  
But wonderful weather,  
Is coming, they say,  
By the end of the month,  
The lamb's here to stay!

## March

The March wind blows  
Winter away  
And sweeps the streets  
From day to day.

March brings surprises  
First, the day's hot,  
Then it starts snowing,  
Likely as not.

Hurry, March wind,  
Hurry along.  
We like to hear you  
Sing your song.

Has just blown in  
To say that Spring  
Will soon begin.

## Solution

When I went out to play  
The day had just begun.

"Put on your coat," said the wind.

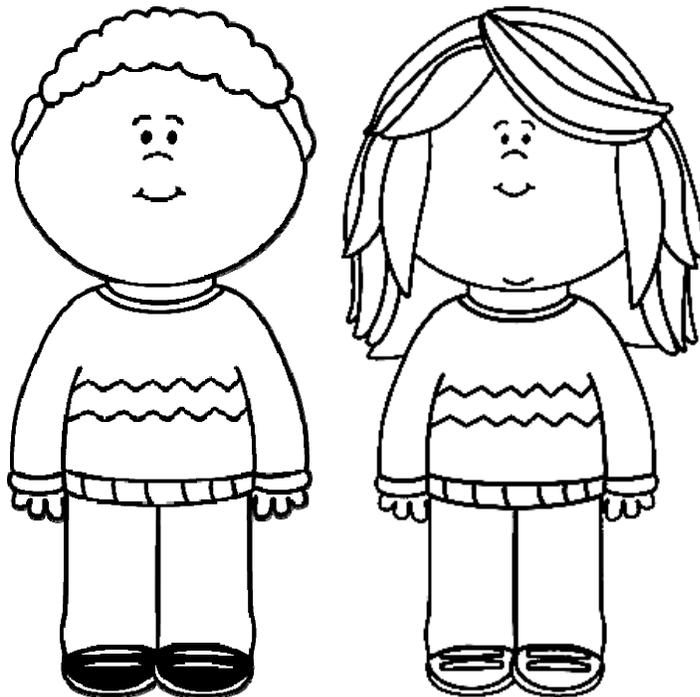

"Take off your coat," said the sun.

Now who was in the right?

And which advice was better?

I solved the problem for myself -

I just put on my sweater.

## The Kite

I went down to the park  
On a March afternoon;  
The snow was all gone  
There'll be green grass soon.

A tall boy was there  
Flying his kite.  
I thought it was  
A beautiful sight.

The kite was blue  
And red and green,  
With the longest tail  
That I'd ever seen.

I'd like a kite!  
I'll make myself one  
And fly it tomorrow  
In the warm March sun.

### March Wind

March wind is a jolly fellow;  
He likes to joke and play.  
He turns umbrellas inside out  
And blows men's hats away.  
He calls the pussy willows  
And whispers in each ear,  
"Wake up you lazy little cats,  
Don't you know that  
Spring is here?"

A hundred furry kittens  
On a pussy willow tree  
I wish they'd all turn into cats

I dig, dig, dig,

I rake, rake, rake,  
And I pull some weeds.

I wait and I watch  
And soon, you know,  
My garden sprouts  
And starts to grow.

The storm came up so very quick  
It couldn't have been quicker.  
I should have brought my hat along,  
I should have brought my slicker.  
My hair is wet, my feet are wet,  
I couldn't be much wetter.  
I fell into a river once  
But this is even better.

Victoria was the queen  
A long time ago.

When Canada was new  
And people loved her, so  
We celebrate her still  
On this special day...

The 24th of May

Happy Victoria Day!

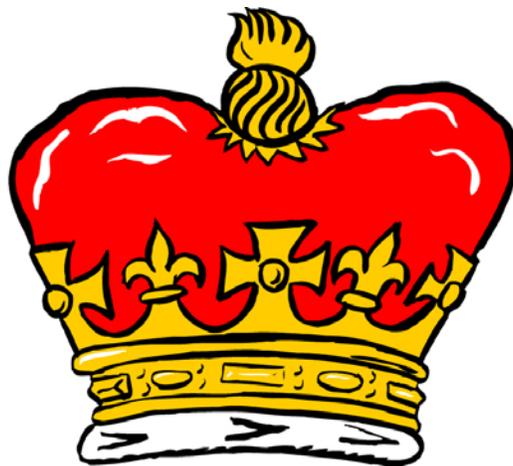

## Victoria Day

Victoria was the queen  
A long time ago.

When Canada was new  
And people loved her, so  
We celebrate her still  
On this special day...

The 24th of May  
Is the queen's birthday!  
Happy Victoria Day!

The school year is over  
And now, what fun!  
Lessons are finished  
Our vacation's begun.

The sun is shining  
Let's go to the pool,  
On a very hot day  
The water feels cool.

Perhaps we will travel  
To exciting places  
With new things to do  
And lots of new faces.

When summer is over  
And it is September  
We'll come back to school  
With much to remember.

Our home and native land,  
True patriot love in all our sons command.

We stand on guard for thee.

## Summer

Shorts and t-shirts

Sunshine all day.

Insects and flowers

And hours to play.

Run through the sprinkler,

Laughing with friends,

Swinging and climbing

Until summer ends.

In the summer when  
the days are hot,  
I like to find  
a shady spot,  
And hardly move  
a single bit  
And sit, and sit,  
and sit, and sit.

Makes it warm for outside fun.  
To play at the park and run,  
To swim and hike, climb and fish,  
And to go on a picnic if you wish.

A book is like a magic ship  
That sails a magic sea  
To distant lands of wonder  
And dreams and mystery.

The ones that I have read  
They do not stay inside the books

## Now That I Can Read

I used to need somebody  
To sit and read to me.  
I'd look at every page they read  
And listen carefully.

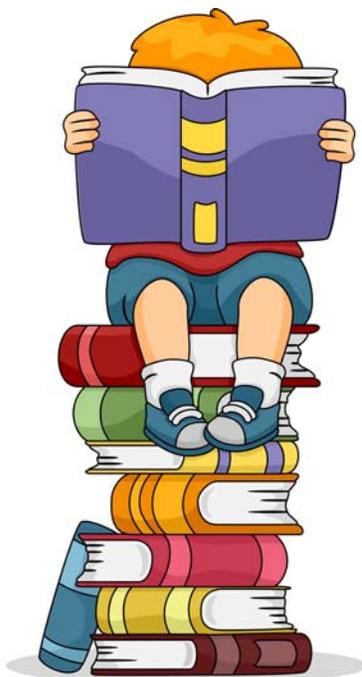

But now that I am in Grade One,  
I'm filling up a shelf  
With stories, poems and other books  
That I can read myself.

### The Gingerbread Man Song

A baker took some gingerbread dough  
And shaped a man from head to toe.  
When it was baked, the cookie fled.  
Here is what the cookie said:

Chorus: Run! Run! As fast as you can!  
You can't catch me, I'm the gingerbread man!  
Run! Run! As fast as you can!  
I'm the gingerbread man!

The cookie man ran past a cow  
Who said, "I want to eat you now!"  
The cookie man just laughed and fled.  
Here is what the cookie said:

Chorus  
A farmer saw the man go by.  
He chased him low, he chased him high  
The cookie man just shook his head.  
Here is what the cookie said:

Chorus  
He finally reached the river wide,  
A fox asked, "Would you like a ride?"  
The cookie sat on the fox's head,  
Here is what the sly fox said:

"You can't run! That's my plan!  
I'm going to eat you, gingerbread man!  
You can't run! That's my plan!  
And he ate the gingerbread man!

## Lunch Rap

Been thinking about lunch

Because it's time to eat.

Got tired brains

And tired feet.

So, come on, teacher,

Won't you let us go?

The gas in my car

Is getting low.

And later when she woke up,  
She was a butterfly!

## The Fuzzy Caterpillar

The fuzzy caterpillar  
Crawled upon a leaf.  
Spun her little chrysalis,  
And then fell fast asleep.  
While she was sleeping,  
She dreamed that she could fly.  
And later when she woke up,  
She was a butterfly!

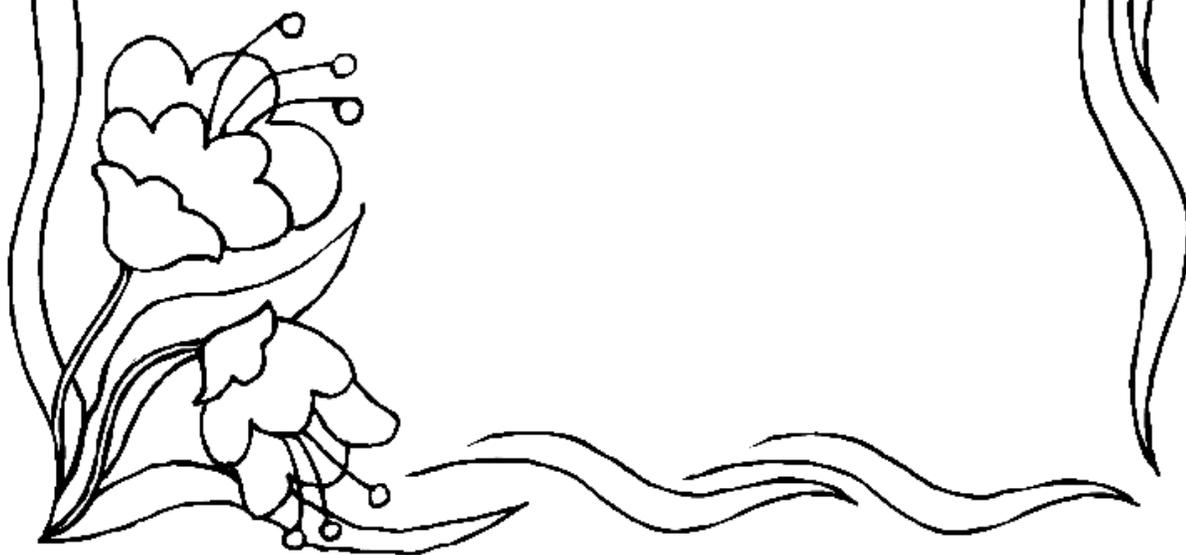

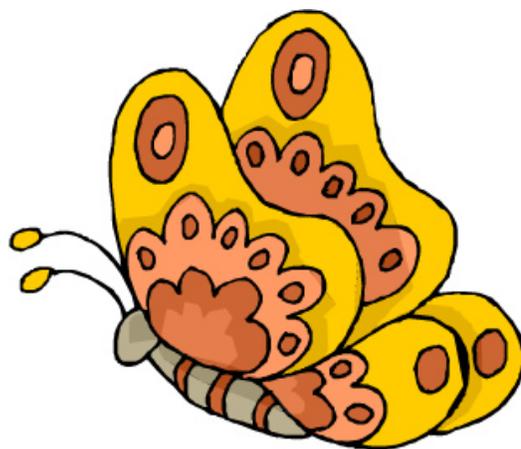

### Trusting Butterfly

Hold your breath -  
Don't come too near!  
She's just about to land.

Ah!

A butterfly has honoured me  
By resting on my hand.

## The Ladybug

When strolling through the garden  
You should chance to see  
A ladybug out walking  
Please say "Hi!" for me.  
For a ladybug is a good bug  
And she helps the garden grow,  
She's supposed to bring good luck  
So be sure to say "Hello!"

## Pocket Treasure

A tiny bit of eggshell  
From an empty robin's nest.  
It's like a piece of summer sky.  
The blue that I like best.  
Four fine rocks, one perfect shell,  
A rusty little locket -  
Those are just a few of the things  
In my blue-jeans pocket!

### Seeds

**Seeds are funny, funny things,**

**Some have stickers**

**Some have wings**

**Some are big**

**Some are small**

**Some round and flat**

**Some like a ball.**

**Some are hidden inside of fruit**

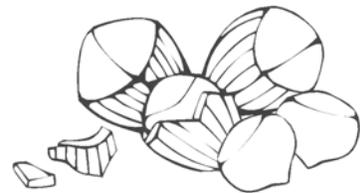

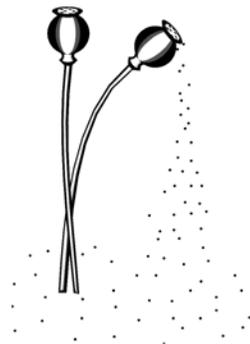

**Some in pods or underground roots.**

**Some seeds are foods**

**And good to eat,**

**Like corn or beans**

**Or nuts for a treat.**

Some in pods or underground roots.

Some seeds are foods

And good to eat,

Like corn or beans

Or nuts for a treat.

## Bubbles

Bubbles, bubbles, large and small,  
Sailing through the air.

I reach out to catch one  
And POP! It isn't there.

## Sneezes

When cold winter breezes  
Bring sniffles and sneezes,  
There's something  
We really must do.....  
Be careful, take care,  
Never sneeze in the air,  
But elbow every KER-CHOO!

### My Tooth

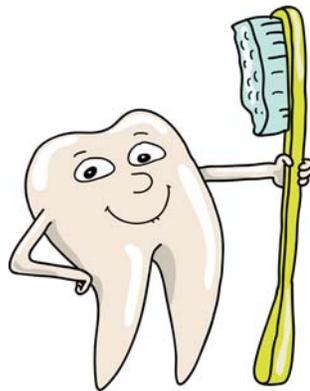

My tooth fell out and left a space  
So big my tongue can touch my face,  
And every time I smile I show  
The place where something used to grow.  
I miss my tooth as you can guess  
But now I have to brush one less!

## MY Wobbly Tooth

Once I had a wobbly tooth  
That wobbled to and fro,  
Every time I ate my toast  
I thought the tooth would go.  
But then I ate a Candy,  
A sticky toffee roll,  
Now where my wobbly tooth was  
There's nothing but a hole!
