

Making A Mini-Book

You may have to do this to visualize it! The kids love to write in these little books.

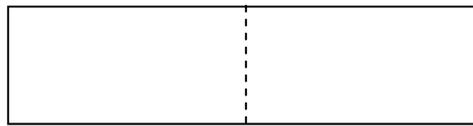

Step 1 - Begin with a piece of copy paper or newsprint. Fold in half.

Step 2 - fold in half again, the 'hotdog' way.

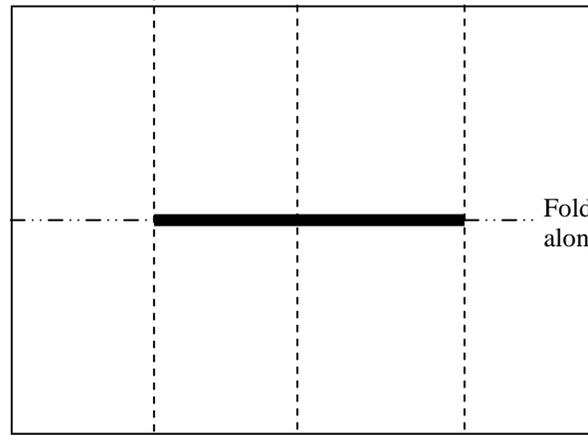

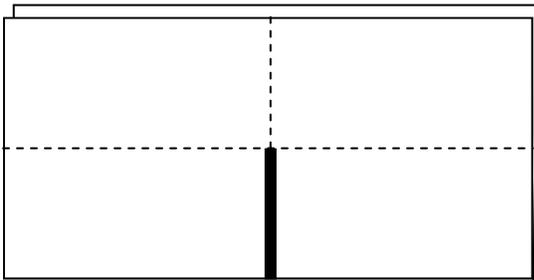

Step 3 - fold in half again.

Step 5 - Open the sheet completely, then fold once the 'hotdog' way.

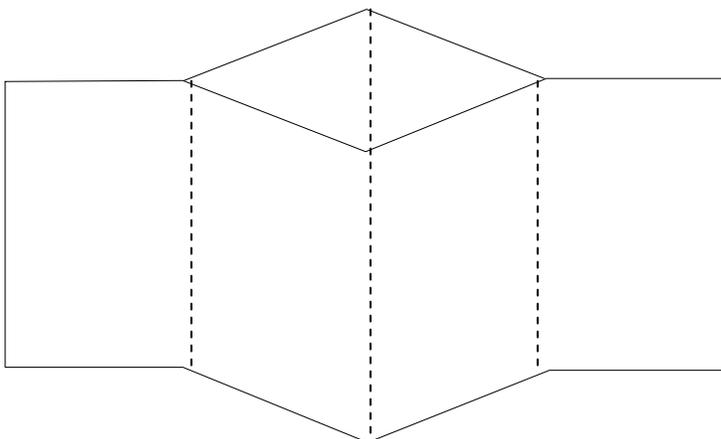

Step 4 - Open halfway and cut as shown.

Fold the sheet along this line.

Step 6 - Push the ends together until they meet. Now you can see the 8 pages of the book. Glue the double pages together.

Hold this end and push towards the center.

Hold this end and push towards the center.
